# Questions and Answers

## How does the Guaranteed Five Year Savings Plan work?

- You invest a regular monthly premium (minimum £20) with Metfriendly
- After five years you will receive the guaranteed maturity benefit
- There are guaranteed early surrender benefits

## Who can take out a Metfriendly Guaranteed Five Year Savings Plan?

You must be a UK resident aged 18 or over, and you must work or have worked in the police service - or be the partner or close relative of such a person.

## How flexible is the Guaranteed Five Year Savings Plan?

The term (5 years) and the premium are fixed once it has begun.

## What will I get back?

As an example, under this plan a regular premium of £50 per month (£600 per year, £3,000 in total) will be guaranteed a return of £3,050 after five years. The table shows what you would get back if you had to cash your plan in early.

### The early years

At the end of year	Total premium paid in to date	What you would get back
1	£600	£500
2	£1,200	£1,150
3	£1,800	£1,750
4	£2,400	£2,400

**Warning - if you cash in during the early years, you could get back less than you paid in.**

### What are the charges?

- All charges and expenses have already been taken into account in determining the benefits shown above.

## When can I take money out?

When the **Guaranteed Five Year Savings Plan** reaches the end of the 5 year period we will contact you to make arrangements for you to receive the maturity value. You can cash in the **Guaranteed Five Year Savings Plan** completely at any time for a 'surrender value' (see 'What will I get back?'). We will not permit partial surrenders.

On taking money out of the plan there may be tax implications. (See 'What about Tax')

## What is the Rolling Five Year Savings Plan?

With a **Rolling Five Year Savings Plan** you take out a new plan every year. After five years your first plan matures and pays out. The next year your second plan matures and pays out and so on. This means that every year you will then receive a pay-out from a **Guaranteed Five Year Savings Plan**.

Many people use this method of saving for regular yearly events such as their annual holiday, Christmas or expenses at the start of the school year.

To take out a **Rolling Plan** tick the relevant box on the application form.

Taking one out means that we will send you a new policy schedule each year, along with a cancellation notice giving you the option not to proceed with any further plans.

## How can I cash-in early if I need to?

All you have to do is contact our member services team by phone or email and they will guide you through the process. For payment, the bank or building society account must be in your name.

Payment will be made within 7 working days. Where there is an intervening public holiday, different arrangements apply.

## How do I apply for a Guaranteed Five-Year Savings Plan?

Applications can be made online, using our paper forms or by calling our member services team on 01689 891454.

Serving or officers or staff in the Metropolitan and officers in the City of London Police Services can authorise us to take monthly premiums from their salary. Retired officers and staff may be able to pay by pension deduction, our member services team can advise.

If you are a relative, or simply wish to pay by direct debit, you can choose this option through the online application, if applying by paper, we will send you a direct debit form (unless you already pay this way).

## What if I change my mind?

We will send you a policy and schedule showing your benefits and a cancellation notice. If you change your mind, you can return the notice within 30 days for a full refund.

## Are there limits on premiums?

The minimum premium is £20 per month for the Regular Plan (and for each plan under the Rolling Plan). There is no upper limit.

## Can I choose how long to save for?

The **Guaranteed Five-Year Savings Plan** has a fixed term of 5 years. (Alternatively, a Metfriendly ISA can be left running for as long as you wish.)

## What happens to my plan if I die?

A death benefit will be payable to your estate. This benefit will be slightly higher (2 months' premiums) than the early surrender benefit (see 'What will I get back?') and will never be less than the premiums paid.

## What about tax?

If you are a higher rate taxpayer when the plan pays out, you will need to declare any profit on your tax return and suffer income tax at the **difference** between the basic rate and the highest rate you pay.

(Alternatively under a Metfriendly ISA, profits are not subject to tax.)

## How much will it cost for advice?

Metfriendly is not authorised to give financial advice nor does Metfriendly pay any form of commission or make any incentive payments. Any cost of providing verbal or written information about Metfriendly plans is included in Metfriendly's overall expenses.
